Dear [Redacted]

STAT

I am writing to request a waiver of the non-publicity clause (Article 24) of our contract [Redacted] which was for preparation of a Master Plan and Environmental Assessment for the Central Intelligence Agency. We have successfully completed the project and received all payments due us. The waiver would allow us to list the project in our Standard Forms 254 and 255 and in other qualifications statements.

STAT

We are happy to have been able to work with the Agency and look forward to hearing from you.

Sincerely,

[Redacted Signature]
